

Between official directives and practical circumstances – ethical reflexions from a professional clinical perspective

Mikael Sandlund

Umeå University/Smer

December 2022

“ethically difficult care situations” during the pandemic

Spaces where clinicians have encountered ethical problems:

- I. Space of ***Being Ignorant and/or Afraid***
- II. Space of ***Liberated Professionals***
- III. ***The Heroic space***
- IV. Space of ***Being in Need of Help and Guidance***
- V. Space of ***Being Tired and Worn Out – and Angry***
- VI. Space of ***System Must Change***
